Calendar for the Opening Days of College

We eagerly look forward to your arrival, and we hope to make your transition to Yale and New Haven as easy as possible. We have planned many meetings and events during the opening days of term to introduce you to the academic, social, and cultural life of Yale. Most of these meetings are not repeated, and some of them are mandatory, so please review this calendar carefully and note those meetings that apply to you. We hope you find them helpful.
